Details

Description

Lithuanian dog food company was established in 2018. It offers organic, low-carb, and raw-dehydrated dog food.

It is made from 100% human-grade ingredients which come from certified sustainable and responsible farms. They are gently air-dried under 30 °F / 86 °F in organic 100% green energy powered manufacturing in Bavaria, Germany. This technology helps to keep food more nutritious. It contains minimum digestible carbohydrates. Following the latest scientific research such food composition is better for dogs well-being .

Product range:

- Organic air-dried dog food;
- Air-dried grass-fed beef tripe snack;

Ref: BRLT20190809001

- Air-dried free-run rabbit ears with fur snack;
- Air-dried wild-caught herring snack;
- Air-dried vegan banana snack;
- Air-dried vegan flax-seed snack;
- Dog biotics (prebiotics + probiotics for dogs);
- Natural horn-beam stick tog chew toy.

The company would like to expand the range of its products.
