## General Information

### Short summary

The company based in the central part of Poland, has been operating as a wine and food importer for the last 12 years. The company distributes wines and the selected food products, such as: olive oil, rice, pasta, canned tomatoes.

### Full description

The company has started its activities in 2003 and since 2010 it has been operating on the Polish market as a wine and food products importer. It offers distribution services for suppliers of wine and the selected food products mainly from Greece, France, Spain, Portugal, Germany and Austria. The company specialises in distribution for the HORECA channel (restaurants, bars, hotels, gourmet shops, wine shops), mainly in Warsaw region.

The client has many years of experience in international trade and has already well-established business relations with several partners from different countries.

The company seeks partners with the objective of establishing commercial and distribution agreements, for national and regional sales, business expansion and sales increase.
