## General Information

### Short summary

The company is currently expanding and is in search of a line for packing both fresh and frozen fruit. The search is for manufacturers of cold storage units (0-4°C and -18°C), warehouses, IQF equipment, fruit and vegetable processing equipment, and turnkey juice production equipment.

### Full description

Established in 2022, this Romanian brand produces 100% natural juices, jams, fruit powders, and dehydrated fruit mixes exclusively from Romanian fruits and vegetables harvested from its own plantation and certified local producers. As the company expands, it seeks to package fresh and frozen fruits and is in search of manufacturers for cold storage units (0-4°C and -18°C), warehouses, IQF equipment, fruit and vegetable processing machinery, and turnkey juice production equipment.

#### Advantages and innovations

The company exclusively utilizes new equipment produced in 2023, and all raw materials are locally sourced and meticulously chosen. The end products are free from water, sugar, additives, colorants, and preservatives.

#### Technical specification or expertise sought

The company is in search of manufacturers for cold storage units (0-4°C and -18°C) and warehouses, IQF equipment, as well as fruit and vegetable processing equipment, and turnkey juice production equipment.
